IMPORTANT EQUINE LIABILITY SEMINAR

Given by Patricia Ratner, Esq

October 15th

6-8 PM

Rick's Saddle Shop - Cream Ridge, NJ

A new case has just interpreted another section of the Liability Act and this seminar will focus on liability and insurance coverage issues (including a discussion of this case). It is important that owners of horse businesses attend. A NJHC director, Patricia Ratner, who is a lawyer, has given this seminar before, and her informative handout has received high praise from those who have attended in the past. There are now 2 Appellate Division cases which have interpreted the Act, and the Horse Council wants to be sure that members operate their businesses carefully.
